Dear Representative Vagnozzi:

As a constituent and member of the Michigan Association of Planning (MAP), I am writing to ask your support for HB 4398-Zoning Act Unification Process. I strongly support this legislation because it would unify the State's three zoning enabling acts into a single act. There is no doubt in my mind that HB 4398 would be of significant benefit to our communities. Rep. Elsenheimer introduced this legislation and I appreciate all of his hard work on it. I am seeking your support as a member of the Local Government and Urban Policy Committee with Rep. Elsenheimer. I appreciate your continued hard work on behalf of my District.

Sincerely yours,

M. Christine Herter
